## WORK EXPERIENCE

### Full-Stack Developer Intern Growicat (2 months)

Collaborated with a development team to design, build, and maintain scalable web applications using HTML, CSS, JavaScript, PHP, and Laravel. Gained hands-on experience in front-end and back-end development while contributing to various stages of the development cycle. Assisted in debugging, testing, and optimizing web applications for improved performance and user experience. This makes it clear that you had a 2-month internship while emphasizing the skills and contributions.
